Skills

Programming Languages

Proficient: Python, Javascript, Java, Dart, C/C++, PHP
Worked with: Python, Java, Javascript, flutter

Industrial Skills

Git, GitHub, Agile methodology, Clean-Code Architecture, MVC Model, Cross-platform development, OOP, Software testing and debugging, REST API design, Test driven development, Docker, Linux

Frameworks and software

Django	*Full working Proficiency*
Flusk	*Limited working Proficiency*
Spring-boot	*Professional working Proficiency*
Flutter	*professional working Proficiency*
Node JS	*Professional working Proficiency*
Laravel	*Limited working Proficiency*
API Testing Tool : Postman	*Full working Proficiency*

Projects

Some of my projects to mention here:

- **Djangonautic**: Simple article based site developed in Django. See here(github/djangonautic) the source code.
- **Store-api**: A simple rest Api developed in Django. See here (github/store-api) the source code.

To see my other projects please visit my github profile.

Experience

Software Engineer (April 2021 – Present)
Lexoro GmbH

Some of my projects:
Hartmann: I was part of this project where I worked in the automation process with Python using Selenium Library. I have also worked in javascript as well for crawling.
KarlsTorz: Similar role was in this project working in the automated system using Python using Selenium, besides having experience working in the backend business logic in spring-boot and as well as frontend with Flutter.
Meda-X: I was fully integrated into this project experiencing spring-boot backend and flutter frontend. I had to work in javascript for crawling and Python for AI integration.

Key features to mention:

- Working experience in Agile development environment.
- Working experience in a large codebase.
- Maintain team-work.
- Managing software development life cycle.

Teaching Assistant (Feb 2021 – Apr 2021)
American International University-Bangladesh

- Teaching the assigned curriculum in one-to-three-hour classroom.
- Leading class discussion and answering student questions.
- .Evaluation student assessments.
- Maintaining records on student grades.

Education

American International University Bangladesh (AIUB) (June 2017 – Apr 2021)
Computer Science and Engineering

Govt. Tolaram College (2015 – 2016)
HSC – Higher Secondary School Certificate
