## Skills

### Programming Languages

**Proficient:** Python, Javascript, Java, Dart, C/C++, PHP

**Worked with:** Python, Java, Javascript, flutter

### Industrial Skills

Git, GitHub, Agile methodology, Clean-Code Architecture, MVC Model, Cross-platform development, OOP, Software testing and debugging, REST API design, Test driven development, Docker, Linux

### Frameworks and software

Django	Full working Proficiency
Flusk	Limited working Proficiency
Spring-boot	Professional working Proficiency
Flutter	professional working Proficiency
Node JS	Professional working Proficiency
Laravel	Limited working Proficiency
API Testing Tool : Postman	Full working Proficiency

## Projects

To see my personal and team projects please visit my [portfolio](#).

## Experience

### Software Engineer (April 2021 – Present)

Lexoro GmbH

Some of my projects:

**Hartmann:** I was part of this project where I worked in the automation process with [Python](#) using [Selenium](#) Library. I have also worked in [javascript](#) as well for crawling.

**KarlsTorz:** Similar role was in this project working in the automated system using [Python](#) using [Selenium](#), besides having experience working in the backend business logic in [spring-boot](#) and as well as frontend with [Flutter](#).

**Meda-X:** I was fully integrated into this project experiencing [spring-boot](#) backend and [flutter](#) frontend. I had to work in [javascript](#) for crawling and [Python](#) for AI integration.

#### Key features to mention:

- Working experience in Agile development environment.
- Working experience in a large codebase.
- Maintain team-work.
- Managing software development life cycle.

### Teaching Assistant (Feb 2021 – Apr 2021)

American International University-Bangladesh

- Teaching the assigned curriculum in one-to-three-hour classroom.
- Leading class discussion and answering student questions.
- .Evaluation student assessments.
- Maintaining records on student grades.

## Education

### American International University Bangladesh (AIUB) (June 2017 – Apr 2021)

Computer Science and Engineering

CGPA – 3.44 out of 4.00

### Govt. Tolaram College (2015 – 2016)

HSC – Higher Secondary School Certificate

GPA- 5.00 out of 5.00
